STACK PACK drawer box

Order no. 533240

GTIN 4030293270800

Tools and accessories can be easily transported to the construction site with the robust STACK PACK storage and transport system. The boxes are made of impact-resistant plastic with aluminium-reinforced corners, protecting tools and accessories from the toughest construction site conditions. The boxes have a durable metal latch, with additional handles ensuring flexible and comfortable handling. Interlocking quick-connect fasteners allow fast, flexible and effortless connection of the individual boxes so that the storage system can be assembled according to the user's specific needs. The drawer box has self-locking mechanisms that close securely and prevent the drawers from opening during transport. Robust steel rails guarantee smooth running of the drawer, including dividers for customised partitioning. With 2 drawers, height 89 and 200 mm.
