STACK PACK rucksack

Order no. 535841

GTIN 4030293296817

A sturdy STACK PACK rucksack with a hard shell and reinforced side panels produced from durable polyester fabric. The 70 pockets and compartments allow for flexible, safe and organised storage of tools, accessories, work equipment and electronic devices. The rucksack also features a hard-shell front panel with internal compartments, a spacious central compartment, side pockets, various holders and a laptop compartment. Its padded back panel, adjustable shoulder straps with chest strap, as well as two additional carrying handles make it easy to carry and ensure optimal weight distribution. The rucksack is fitted with a sturdy base plate and can be attached to the lid of the STACK PACK boxes using the quick-release fastener.
