1200 watt weld and pipe belt sander

LBR 1506 VRA

Order number 282.499

1200 watt weld and pipe belt sander

- + Grinding pipes: between two rollers with unlocked front swing arm. The grinding belt wraps around the pipe and adapts to the pipe diameter
- + Grinding weld seam directly on front contact roller with locked front swing arm
- + Infinitely adjustable belt speed
- + Sanding belt dimension: 618 x 40 mm
- + Sanding belt replacement: quick and easy
- + Hand grip directly over the sanding belt for fatigue-free work
- + Microprocessor electronics: with tachogenerator constant speed control, soft start, overload protection and speed selection
- + Sanding belt tension: spring loaded, adapts to pipe diameter from 10 to 250 mm
- + Highly efficient and resilient motor for more power output
- + This machine is also available in 110 V
