SC 10-38 18-EC

18 V cordless stapler

Order no. 535469

GTIN 4030293293090

- Developed for continuous professional use, this stapler offers full power at the touch of a button, up to 3 staples/second. Without compressor, gas cartridge or cable
- Dry shot prevention protects the machine from unnecessary wear and thus increases service life
- Tool-free depth adjustment and optional single or contact release for precise work
- Very productive, up to 1800 staples with just one 2.5 Ah battery charge
- For fast, secure fastening of substructures, subfloors, OSB boards, panels, rear walls, foils or insulating materials, as well as for finishing and assembly work. Suitable for staples with a length of 10-38 mm, 6 mm/18 GA, for 0° magazine with practical fill level indicator
- Very handy, light-weight machine with optimum ease of operation. Provides comfortable and ergonomic working conditions
- Brushless motor with greater efficiency and a longer service life
- Integrated LED lamp for optimum illumination of the work area.
- With metal bracket for flexible attachment
- Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- LED battery capacity display
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

BRUSHLESS EC-Motor Technology

L-BOXX
