

# CSM 57 18-EC C

Cordless 18 V metal circular saw

Order no. 533686

GTIN 4030293275263

- + Brushless motor with greater efficiency and a longer service life
- + Motor brake stops the saw blade in 0,5 seconds
- + For accurate metal cutting without coolant
- + Practical machine for cutting profiles, metal grids and solid metal material
- + Tool-free adjustable guide plate, continuous saw depth adjustment to 57 mm
- + Chip collection container, large dimensions, can be emptied without tools
- + With metal bracket for flexible attachment
- + Spindle lock: for quick replacement of blades
- + Integrated LED lamp for optimum illumination of the work area.
- + Ergonomically designed, non-slip, soft grip handle for safe, comfortable working
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

## Technical data

|                                                            |                    |
|------------------------------------------------------------|--------------------|
| Battery voltage                                            | 18 V               |
| Max. no-load speed                                         |                    |
| Cutting depth                                              | 57 mm              |
| Saw blade diameter                                         | 150 mm             |
| Saw blade hole                                             | 20 mm              |
| Max. material thickness in steel 800 N/<br>mm <sup>2</sup> | 8 mm               |
| Dimensions WxLxH                                           | 300 x 200 x 205 mm |
| Weight without battery pack                                | 2.4 kg             |

## Standard equipment

- 1 Saw blade for steel and stainless steel (533692)
- 1 Adapter plate for guide rail (534785)
- 1 Parallel stop (534786)
