Medium Box STACK PACK

Order no. 531465

GTIN 4030293253056

Tools and accessories can be easily transported to the construction site with the robust STACK PACK storage and transport system. The boxes are made of impact-resistant plastic with aluminium-reinforced corners, protecting tools and accessories from the toughest construction site conditions. The boxes have a durable metal latch, with additional handles ensuring flexible and comfortable handling. Interlocking quick-connect fasteners allow fast, flexible and effortless connection of the individual boxes so that the storage system can be assembled according to the user's specific needs. Medium Box with gas struts to ensure that it stays open, and a removable accessories container.
