

## **XCE 8 150 18-EC C**

## Cordless eccentric polisher with forced rotation 18 V

Order no. 532646 GTIN 4030293264861

- As powerful as a cable polisher over the entire battery life
- CDC constant electronics prevent speed fluctuations
- Continuous speed control trigger: for a gentle start and a lock-on for continuous operation
- Simple speed adjustment via speed selection wheel with detent points accessible from both sides
- Ideal speed range for automotive, maritime and aviation applications
- Perfect for removing medium scratches and for eliminating signs of wear and holograms
- Maximum efficiency in one step with the FLEX 1-step system, with the violet sponge and violet polish
- New generation of brushless motors delivering high efficiency and performance
- Newly-developed high-performance gearbox for maximum noise and vibration reduction
- Additional external gearbox enables rotary positive drive with simultaneous random orbital movement.
- Ergonomically-shaped handle areas with soft grip for perfect guidance on the surface
- Flat gear head reduces the distance from the surface. This allows the tool to be guided perfectly in any position
- With rubberised resting bar for safe setting down
- Microprocessor control with soft start, restart protection after power failure, temperature monitoring, overload protection
- Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- LED battery capacity display
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
