# Net sanding abrasive

Specially developed for highly-dusty substrates in drywall construction. Thanks to its innovative open grid structure, it enables sanding dust to be extracted from the entire surface, ensuring a clean working environment and optimum sanding results. Further advantages: high abrasiveness, very long service life, easy attachment with hook & loop fastener. The net sanding abrasive can be used independently of an existing extraction hole system.

**Technical data**

| Designation | Grit | Diameter | Order no. | GTIN | Qty. |
|---|---|---|---|---|---|
| D225 N-P100 VE12 Xtreme Plus | P 100 | 225 mm | 534172 | 4030293280120 | 12 |
