

CS 45 18.0-EC C

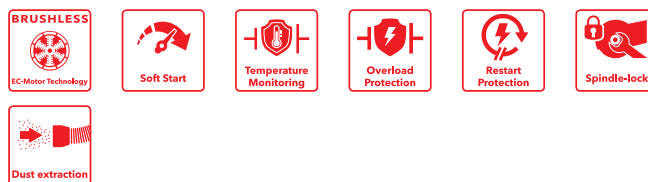

Compact cordless circular saw with pendulum hood 18,0 V

Order no. 517674

GTIN 4030293237667

- + Perfectly balanced saw for handheld cutting with the handle in line with the saw blade, supporting a precise handheld guide along the marking, for straight and perfect cutting results without additional guide rail.
- + Ideal for traditional applications in dry construction and refurbishing, e.g. for making saw cuts through plasterboard, concrete fibre boards, wood materials, such as formwork panels and chipboard or OSB boards
- + Brushless motor with greater efficiency and a longer service life
- + 18 V EC motor with overload protection and temperature monitoring
- + Motor brake stops the saw blade in 2 seconds
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + Compact and ergonomic shape
- + In accordance with the latest regulations without splitting wedge for plunge cuts and without time-consuming removal of splitting wedge
- + Intuitive clamp lever for cutting depth adjustment
- + Spindle lock: for quick replacement of blades
- + Connector for external dust extraction Ø 27 mm or step adapter
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

Technical data

Battery voltage	18,0 V
Battery capacity	2,5 / 5,0 / 8,0 Ah
Cutting depth	46,5 mm
Saw blade diameter	128 mm
Saw blade hole	20 mm
Dimensions WxLxH	120 x 315 x 262 mm
Weight without battery pack	2,4 kg

Standard equipment

- 1 Standard circular saw blade with alternating teeth (517682)
- 1 Parallel stop
