

# TT 2000

Isolating transformer

Order no. 373370

GTIN 4030293147720

⊕ With contour socket for all FLEX machines with contour plug. Earth contact in 12 o'clock position, without protective contact

## Technical data

|                                  |                    |
|----------------------------------|--------------------|
| Max. power, continuous operation | 2000 VA            |
| Primary voltage                  | 230 V              |
| Secondary voltage                | 230 V              |
| Dimensions WxLxH                 | 200 x 200 x 270 mm |
| Weight                           | 15.8 kg            |

## Standard equipment
