

# DGE 25 18.0-EC C

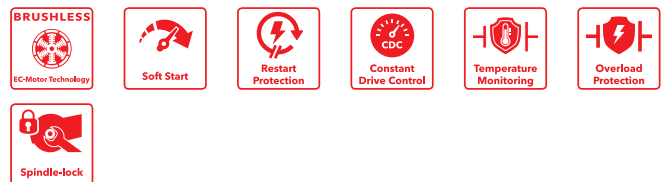

Cordless straight sander 18.0 V with variable, high speed range

Order no. 518867

GTIN 4030293238374

- + Electronics: Speed preselection in 4 steps, CDC constant electronics, soft start, overload protection, restart lock, temperature monitoring
- + Long-necked design for optimum handling and reaching into hard-to-access areas
- + Perfect guidance with hood handle and slim handle with only 147 mm circumference
- + Spindle lock for easy tool change.
- + Brushless motor with greater efficiency and a longer service life
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + Perfect dust protection thanks to removable protective metal grille
- + The ideal tool for grinding, deburring, freehand milling, cutting, rust removal
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

## Technical data

|                               |                                   |
|-------------------------------|-----------------------------------|
| Battery voltage               | 18 V                              |
| Battery capacity              | 2.5 / 5.0 / 8.0 Ah                |
| No-load speed                 | 10000 / 15000 / 20000 / 25000 rpm |
| Max. sanding wheel diameter   | 50 mm                             |
| Tool holder, straight grinder | Collet                            |
| Clamping collar diameter      |                                   |
| Grip circumference            | 147 mm                            |
| Weight without battery pack   | 1.47 kg                           |

## Standard equipment

- 1 Collet (530014)
- 1 Open-ended wrench SW 17
