Blind hole drill with integrated water feed with GFCI circuit breaker

BHW 1549 VR

Order number 299.197

Blind hole drill with integrated water feed with GFCI circuit breaker

- + Integral water feed through the drive shaft ensures optimum cooling of diamond bits
- + Quick-fit brass coupling: for 1/2" water hose
- + Can also be used with pressurized water tanks
- + For hand operation or for use on our BD 6 and BD 18 drill stands
- + Microprocessor electronics: with tachogenerator constant speed control, overload protection, and speed selector wheel
- + GFCI operator protector circuit breaker: integrated in cord
