AP 18/8.0 XT

Battery pack Li-XT 18 V, tabless

Order no. 535463

GTIN 4030293293038

Powerful 18 V XT lithium-ion battery pack. New tabless cell technology achieves a significant increase in power and run time, making this battery ideal for machines that draw higher currents and have longer operating times on the construction site. The tabless technology generates less heat and the patented Therma-Tech technology also absorbs heat. This protects the battery cells, greatly improves the service life and efficiency of the battery and also shortens charging times. The electronic management system (EMS) regulates communication and optimises battery and tool performance while maintaining system safety. Soft-grip surfaces on the housing ensure a perfect grip during use. With integrated charging and discharging protection, dust and splash water protection and charge status indicator.

Technical data

Width	84 mm
Weight	1.166 kg
Height	84 mm
Length	132 mm
Charge status indicator	Yes
Charge / discharge protection	Yes
Battery capacity	8.0 Ah
Battery voltage	18 V
Dimensions WxLxH	132 x 84 x 84 mm
Packaging unit	1 Cont.
