

DD 2G 18-EC HD2

2-speed cordless drill driver 18 V with turbo mode

Order no. 535161

GTIN 4030293290013

- + Brushless motor with greater efficiency and a longer service life
- + Highest torque of 170 Nm for drilling and screwdriving even in extreme applications
- + With switchable anti-kickback function, for constant power transmission without unwanted interruption. Useful for metal work such as thread cutting, step drilling or core drilling
- + Anti-kickback, switches off the motor in case of jamming to prevent the wrist from twisting
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + Accelerator trigger with lock-off switch
- + Electronic quick-acting brake
- + Robust gearbox housing made of die-cast aluminium
- + Right/left rotation with safety catch
- + Ergonomically designed, non-slip, soft grip handle
- + Integrated LED lamp with persistence function
- + Including attachable auxiliary handle, belt clip and bit storage
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
