Cordless cartridge press 18V

Order no. 533217

GTIN 4030293270572

- + Set for film bags and bucket material available as optional accessories
- + Compact cordless cartridge press for 310 ml cartridges and 300-600 ml foil bags
- + With a pressure force of up to 3000 N. The software adapts the speed to the material viscosity and ensures a constant working speed. Efficient for hard materials such as construction adhesives or windscreen adhesives
- + With 6 speed levels, the material flow can be preselected from 0.5 mm/s for precise work on small joints up to 14 mm/s for very fast work and wide joints. Ideal for various materials ranging from very soft to very hard
- + Trigger lock for transport, ergonomically positioned and able to reach without changing the hand position
- + No dripping of the material thanks to the automatic reversal function of the thrust force when the trigger is released
- + Integrated LED lamp for optimum illumination of the work area.
- + With metal bracket for flexible attachment
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
