D-DISC U 115x22,2

Diamond cutting disc universal Xtreme Plus

Order no. 536287

GTIN 4030293301276

Universal use for cutting the most common construction site materials, such as concrete, reinforced concrete, exposed aggregate concrete, bricks, clinker bricks and roof tiles, offering high cutting performance and a long service life. Suitable for both wet and dry cutting. Thanks to the sturdy steel core, there is very little vibration during cutting.
