NF 50-90 18-EC

18 V cordless strip nailer

Order no. 535465

GTIN 4030293293052

- Developed for continuous professional use, this nailer offers full power at the touch of a button, up to 3 nails/second. Without compressor, gas cartridge or cable
- Dry shot prevention protects the machine from unnecessary wear and thus increases service life
- Tool-free depth adjustment and optional single or contact release for precise work
- Very productive, up to 900 nails with just one 5.0 Ah battery charge
- For fast, precise and clean fastening of timber components such as beams, rafters, frames, roof battens and panelling in general timber construction projects. Suitable for nails with a length of 50-90 mm, Ø 2.8-3.3 mm, for 30°-34° magazine
- Brushless motor with greater efficiency and a longer service life
- Integrated LED lamp for optimum illumination of the work area.
- With metal bracket for flexible attachment
- Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- LED battery capacity display
- FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

BRUSHLESS EC-Motor Technology

L-BOXX

Technical data

Magazine capacity	53 Cont.
