Diamond cutting system, 230 mm

DCG L 26-6 230 G-Set

Order number 494.674

Diamond cutting system, 230 mm

- + Ready to go straight away, angle grinder with already installed extraction hood in the case. Diamantjet - Standard 230 mm diamond cutting wheel for concrete included
- + Powerful angle grinder L 26-6 230 with soft start, restart protection after power failure, overload protection, CDC-electronic feedback control, anti-kickback function
- + Fully encapsulated extraction hood for efficient dust extraction
- + Direct connection via Flex Clip system
- + Extremely sturdy construction. The stabiliser element prevents distortion caused by the side weight of the angle grinder.
- + Base plate with rollers for easy feed. Can be used with or without a guide rail
- + Depth stop with scale for cutting depth adjustments and individual cuts (plunge cuts) with or without guide rail (max. 55 mm with, 60 mm without guide rail)
- + Side handle can be fitted on either the left or right
- + Case including lid compartment for small parts, storage space for diamond cutting wheel, side handle and 800 mm guide rail.
