

SP2 85x400 SW8

Spiral paddle SP

Order no. 534025

GTIN 4030293278653

Two negatively arranged spirals force the material down, preventing the liquid material from splashing. Ideal for mixing liquid to tough material: Paint, emulsions, varnishes, glazes, coatings, paste, bitumen.

Technical data

Diameter	85 mm
Sanding guard type
