## Universal rotary hammer drill, 5 kg, SDS-max

**CHE 5-40 SDS-max**

Order number 439.665

### Universal rotary hammer drill, 5 kg, SDS-max

- + 1150 watt hammer drill and chisel hammer in D-build with high impact energy and low vibrations
- + Function switch with three functions: hammer drilling, chiselling, chisel adjustment
- + Rotation stop for chiselling
- + Ideal for hammer-drilling, diameter 40 mm in masonry and concrete for composite or injection anchoring systems and through-holes
- + For chiselling work when removing plaster and tiles
- + Variable speed, continuous adjustment from 1-6 with "Power Control" LED indicator
- + Safety slip clutch: offers protection if the core drill is jammed
- + Decoupled, ergonomic handle with rubberised grip surface. Vibrations are reduced by a sprung damper and additional vibration damping between the housing and handle
