

LBE 76 12-EC

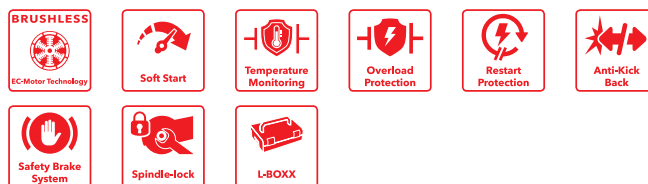

Cordless 12 V mini angle grinder, 76 mm

Order no. 531718

GTIN 4030293255586

- + Very compact and handy mini angle grinder with forward/reverse function for a wide range of cutting jobs
- + Head can be turned through 180°, ideal cutting for both right-handed and left-handed users. The 90° position is suitable for grinding
- + Brushless motor with greater efficiency and a longer service life
- + Microprocessor control with soft start, restart protection after power failure, temperature monitoring, overload protection
- + With electronic brake, stops the tool in approx. 3 seconds
- + Anti-Kickback - this shuts down the motor on the disc being blocked
- + Lockable slide switch
- + Rubberised gear case for a secure and pleasant grip
- + Spindle lock: for easy disc changes
- + Integrated LED lamp with persistence function
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + FLEX battery system: suitable for all FLEX 12 V battery packs. Delivery does not include battery and charger
- + LED battery capacity display
