IW 3/4" 1600 18-EC/5.0 Set

Durable cordless impact screwdriver 18 V

Order no. 532074

GTIN 4030293259140

- Brushless motor with greater efficiency and a longer service life
- Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- Compact design with die-cast aluminium machine head. Extremely durable and impact-resistant
- Auto-Stop mode: When tightening, the machine stops as soon as the blow starts. When loosening, the machine stops as soon as the blow stops. Suitable to prevent over-tightening of the screw or nut.
- Speed Command: three different speed settings for a variety of applications. Prevents, among others, over tightening of small screws
- Integrated LED light that can be set to five different levels
- Tool holder square drive for 3/4" impact sockets
- Accelerator trigger with lock-off switch
- Right/left rotation with safety catch
- Decoupled, ergonomic handle with rubberised grip surface. Vibrations are reduced by a sprung damper and additional vibration damping between the housing and handle
- Electronic quick-acting brake
- LED battery capacity display
- FLEX battery system: suitable for all FLEX 18 V battery packs
